

St. John the Baptist

4 Year Old Preschool Program

St. John the Baptist School offers a unique preschool program for 4 year olds. Our program allows preschoolers to develop and practice fine motor and social skills as well as other skills necessary to be successful in kindergarten. Throughout the day a variety of theme-based centers allow students to explore and learn through play.

All students participate in library, music, and art classes, which are taught by our school's core teachers. Additionally, full-day students also participate in gym and Spanish classes.

Preschool is held every Monday, Wednesday, and Friday.

There are two options for attendance:

Half day preschool is from 8:05-11:05

Full day preschool is from 8:05-2:55

Full day students may pack a lunch from home or participate in the school's hot lunch program.
