## PowerSchool

Just a friendly reminder to be checking PowerSchool. Typically grades are posted one to two times per week. When viewing PowerSchool you may see an assignment that says "collected". I use this to indicate that I have collected the assignment but it will not receive a point value. If you have questions on this or any part of PowerSchool please ask. I am here to help and clarify. Once assignments are scored, they are sent home. Please check for these.

## Trimester 1 - ends Nov. 21

**November 21 ends the first trimester. As a result, students will need to have all absent assignments, incomplete assignments, or correction work completed by November 21<sup>st</sup> to receive credit. I am available before school, recess time, and after school to assist students with this.**

## Blue Folder

Please remember to sign your Wednesday blue folder. Your signature is an indication to me that you have received the information sent home. Retuning it in a timely manner is also appreciated.

## Classroom Blog

I continue to post daily assignments on the classroom blog. This is updated at the end of the day. It is the most current assignment information. Also, use this resource to check for upcoming tests, quizzes, or projects. In addition, I will post resources for students to use to practice and review concepts taught.
