

Booster Club Meeting

Monday October 8, 2018

In attendance: Melissa, Dale and Paulette

Fall sports- ending this week. Photography for yearbook and to purchase will no longer be completed by a photography studio. Each team can submit a parent provided team photo for yearbook.

Winter sports- Boys basketball has strong participation in all grades 5-8. Girls have a 7/8 grade basketball team. Archery has 19 kids registered.

Sports Engine- Dale found out that sports engine can send the interest form with an invoice for sports participation. This will eliminate the need for the paper form sent in weekly envelopes. Once it is determined there is enough participation then the family will need to pay the invoice.

Booyah- Service hours approved for help cutting veggies. Sale is December 16.
